FLYING ACADEMY

BAD VÖSLAU AIRPORT | LOAV |

WE BUILD

EXPERIENCES

Flying Academy's mission is to make YOU the most professional, skilled and dedicated pilot. We are completely equipped for the challenges of employment opportunities of airlines all over the world.

Our mission is a commitment to our students based on personal approach and care, guide them step by step, close monitoring, and adapting the training.

This is our promise!

OUR STORY

... SO FAR

Perfect safety record,
unprecedented student support
and best in class training environment are our promise.

International TRAINING

We are Flying Academy Europe - International Flight Training center with more than three decades of experience, that was founded by airline pilots for future airline pilots.

Perfect SAFETY

The regulation in the European Union is very strict about aviation safety. Our fleet is maintained at the highest levels of safety.

Our FLEET

Flying Academy, one of the leading global flight schools, is proud to present our fleet. It consists of single and multi-engine aircraft maintained at the highest levels of safety. The whole fleet, at both continents where we operate, consists of 35 aircraft

Online TRAINING

With Flying Academy's brand new online classrooms, you can start your theoretical training without leaving the comfort of your home, in a decent amount of time!

AUSTRIA BAD VÖSLAU

LOAV AIRPORT

Bad Vöslau, Austria is flying academy's latest addition to its international bases. We are proud to bring forward exceptional pilot training to the ever exciting Bad Vöslau airport, just minutes away from the iconic Vienna city!

**EXCITING JOURNEY
IN THE SKY**

Not only do we grant out aspiring cadets the exciting opportunity to fly across European breathtaking views on the edge of the Alps.

**NEVER COMPROMISE
ON QUALITY**

Flying Academy's mission is to make you the most professional, skilled and dedicated pilot. We are completely equipped for the challenges

**OUR TOP OF THE LINE BASE
AT THE AIRPORT**

With new modern equipment, exclusive studios and technology, combined with our highly trained and experienced instructors, there is no other competition.
